KNOWLEDGE BEST PRACTICE SHARING INFLUENCE NETWORKING EVENTS

Your invitation to Innovate for Growth
On
Wednesday 25th April 7.30am – 10.00am
at
At Millers Oils
Hillside Oil Works Rastrick Common, Brighouse HD6 3DP

EEF Innovation Award winners will showcase their innovation journey which has seen them transfer knowledge gained in friction reduction in motorsport lubricants to industrial applications.

By attending this event manufacturers will:

- Learn more about how specialist lubricants can reduce friction, save energy and increase durability to deliver cost savings and enhanced efficiency.
- Understand key marketing principles that will optimise innovation benefits
- Learn how to maximise R&D tax credit returns
- Have opportunity to network with manufacturing peers
- Have the option to visit the Millers Oils Innovation laboratory

This event features presentations from:

- Martyn Mann, Technical Director, Millers Oils
- Dave Pannell, The Design Mechanic
- Sandy Findlay, Jumpstart R&D Tax Credit specialist
