### What is the Bradford & Airedale Manufacturing Alliance?

The Bradford & Airedale Manufacturing Alliance brings together various local bodies to give manufacturers a powerful voice across the Bradford and Airedale region.

The Alliance works on behalf of manufacturers to lobby local and national government about issues affecting the manufacturing sector and liaises with the education sector to address skills shortages.

Through the Alliance companies engaged in manufacturing activities in the Bradford and Airedale region can access a dedicated business adviser who will:

- signpost to relevant funding and support
- offer help with supply chain issues and opportunities
- organise factory visits to gain insight into good practice
- enable networking between manufacturers
- provide a single point of contact for manufacturers' questions

As secretariat for the Bradford & Airedale Manufacturing Alliance, the information provided will be held on the West & North Yorkshire Chamber of Commerce's computer database, which is registered under the Data Protection Act 1998.
